IF WE HAD A HAMMER...

And a level

And a chalk line

And some nails

And some wooden studs

And some sheetrock

And some money

And some mud and tape

And some paint

And some light fixtures

And some wiring

And some carpet

And some money

And some bathroom fixtures

And some 4' x 8' sheets of plywood

And some roofing tiles

And some roofing nails

And some money

And some concrete

And people who wanted to help other

people obtain adequate housing

And some money

Then we'd get to work on a Habitat House.

1st Church has done it before and we are going to do it again, working with some of the other United Methodist Churches in the area. Ministry Team Leader, **Tony Holmes**, has been talking to churches and to us about getting ready to build a Habitat House for a needy family. Habitat Houses are not free. The recipients take out a low-interest loan and work on site to help build their own home. **This Sunday is Habitat for Humanity Sunday** in our church as **we will take up a special offering** that will fund the construction. So come prepared to minister with your money for a family that needs a home.
