Attention Adults: Friday, June 17th is "Pizza and a Movie Night". All adults are invited. We will eat, watch a video in Wrath Hall, and enjoy the company of our church family. We will begin eating at 6:00 pm and the movie will start around 6:30. The movie is "Shadowlands". It is 131 minutes long, a 1993 drama/romance, and is rated PG. The story joins the life of C.S. Lewis late, after he has established himself as an internationally known Christian writer. However, young love enters his life via Joy Gresham. Lewis goes through the passion of love and the agony of loss as Joy succumbs to cancer. Lewis walks us through the experience of faith in suffering. There are 5 discussion starter questions for after the movie that we can discuss as a group.

The family of Johnny Houston wishes to thank our wonderful church family for every kindness shown. In October when we first found out he had a brain tumor, all through the cancer and treatments, until his death you were there praying for us or comforting us. Johnny put up a very gallant fight for 6 months trying to get well, but it wasn't meant to be. He was so brave during this time - never complaining. We can never say what our church family means to us but it is so important, and we shall never forget all the kindness shown. Your visits to the funeral home, the wonderful meal prepared by members of the UMW, your cards & encouragement will never be forgotten. Please continue to pray for us during this time while we heal and sometime in the future find peace once again.

*Trusting Him Always,
James Autry, Charlotte, & Abie*
